Dear Ms. Hidber

SUBJECT: LETTER OF APPRECIATION

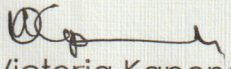

I am writing to express my heartfelt appreciation for the incredible work being done by the Namibian Arts-Performance Centre Association in Tsumeb. The Municipality is always here to support and assist APC in any way possible as you continue to enrich the lives of our community's youth.

Your dedication and passion, demonstrated through the efforts of 38 teachers and workers, in nurturing over 500 children through the development program, is truly commendable.

The impact of your efforts on the lives of these young individuals is profound. Through your unwavering commitment to arts and performance education, APC is not only fostering creativity and talent but also empowering the next generation with invaluable skills and confidence.

Thank you for your tireless work and for making a difference in the community. Your contributions are inspiring, and I am deeply grateful for the positive influence you have on so many young lives.

With sincere appreciation,
